

Andrea Tilche

Andrea Tilche obtained his Doctor Degree in Agricultural Sciences at the University of Milano in 1978. His scientific career was mainly carried out in Italy where he set-up and directed the wastewater treatment laboratories of ENEA in Bologna. In 1998 he moved to the Joint Research Centre of the European Commission as Head of the Water Research Unit, and later moved to Brussels to lead the Water Key Action in the 5th Framework Programme. After other appointments in the Directorate-General for Research and Innovation, since 2010 he is Head of the Unit “Climate Action and Earth Observation”. He represents the EU at the Intergovernmental Panel on Climate Change and in other international fora.
